FAX TO: House Transportation Committee 517-373-5780 1 page

FROM: James C. Walker, National Motorists Association

To Chairman Opsommer and the Transportation Committee

The National Motorists Association supports Resolutions HCR 12 and HCR 75 to express opposition to the federal government withholding road funding to the states based on passage of the Safe Teen and Novice Driver Uniform Protection Act (STAND UP Act). The STANDUP Act ~ S. 528

The National Motorists Association is opposed to the federal government withholding highway tax funds from any state based on that state's adoption or rejection of rules, laws or procedures the federal government recommends. These are taxes paid by the taxpayers of each state and must be returned to those states without restrictions.

Respectfully submitted,
